Women's Masters report for 2020.

Grafton had 3 teams nominated in the Northern NSW 1/2 state women's hockey masters championships in Taree this year.

But as we all know due to Covid 19 it was cancelled 3 days before we were to leave.

All very disappointing for everyone especially for our 1 st time players.

At every championship we have players presented with various awards and this year we had 5 who were to receive their masters jumpers.

Sharyn Bagster (from 2020) Debra Dewberry (2020) Leanne Williams, Rebecca Sipple, Sandra Gosling

.We will be presenting these jumpers soon, hopefully at a dinner we will arranged soon.

All who were involved will be notified soon with all the details.

It has been announced that 2022 women's North Half state women's hockey masters championship will once again be played in Taree

3rd time lucky we hope

Our nominations for 2022 will be out Grand final day. If we're unable to play we'll have further details will be given and a meeting with all interested players will be announced.
